Twin Pines offers a variety of rental fish house sizes and features. All houses are carpeted, have propane heat and lights, bunks with covered foam mattresses, tables with chairs and rattle reels. All but the smallest houses have cooking features and some have bathrooms. There are heated public outhouses conveniently placed throughout the neighborhoods.

When you arrive your heat is on and all the fishing holes are drilled. Our road system leads to Mille Lacs hot spots on rock piles, sand, gravel, mud flats and deep mud. The State Snowmobile Trail runs directly through our property.

Twin Pines’ famous full service restaurant offers breakfast anytime, lunch and dinner. eat in or take out.

We also offer a full service bar with off-sale available.
